

Dear Ironmen Supporter,

The North Pittsburgh Catholic Ironmen are proud to announce a new fundraising partnership with Experimac located at 4840 McKnight Road in Pittsburgh.

Experimac specializes in buying, selling and repairing all Apple products. They offer the best prices and quickest turnaround on everything from screen repairs to MacBook Pros to iPads and iPhones. Their customers save an average of 60% on purchasing new products from large retail stores.

Experimac has agreed to donate 10% of the purchase price of anything bought or repaired at their store to the Ironmen football program. This program will begin September 14 and continue even after the football season has ended making this program a great way to continuously raise money for Ironmen football and cheer.

All you need to do is let the Experimac staff know you are an Ironmen supporter at checkout and they will send a check to the Ironmen along with your name attached to the donation amount. For tracking purposes, Experimac will also email both you and the Ironmen to ensure the donations are properly made.

Please consider Experimac for all your Apple needs as this is a great fundraising opportunity for our program. You can stop by their store or call them at 412-548-3078

Go Ironmen!!
