WHO ARE WE: The North Pittsburgh Catholic Ironmen are sponsored by **Saint Kilian Parish School** in Cranberry Township and play football in the Diocese of Pittsburgh grade school league. Our program offers cheerleading and tackle football for all northern Pittsburgh area Catholic school students. Last year's teams were comprised of students from the eleven area Catholic schools including ***Aquinas Academy, Butler Catholic, Holy Sepulcher, Providence Heights Alpha, Saint, Alexis, Saint Alphonsus, Saint Gregory, Saints Peter & Paul, Saint Wendelin and Saint Kilian.*** We provide a safe and fun environment to learn competitive football and cheerleading under Christian values.

TEAMS: In 2016, our program was made up of 68 football players and 61 cheerleaders supporting three teams: Varsity (7th – 8th grades), JV (5th – 6th grades) and Developmental (3rd, 4th and first year 5th graders). Last year both our JV and Varsity football teams made the Diocesan playoffs and our JV team played in the league championship.

HOW WE OPERATE: We practice and play our games at local fields only 20 minutes from most of the schools that make up our program. Our coaches are well trained in football/cheer instruction and utilize the latest techniques to keep participants safe. We offer top of the line equipment throughout our program.

COME LEARN MORE: Prospective new football players, cheerleaders, and their parents can come meet us at any one of five information sessions.
